

USED Book List

We have a quantity of quality "Gun Books" that we have just purchased, these are all one offs. Most appear like new, maybe only read once, if at all, some are well used. Most have the previous owners name stamped on the flyleaf. All books are sold "As Is" no returns. Some of these are heavy so prices are plus shipping.

Please e-mail myself John@wolverinesupplies.com for details. These will not be going on our web page.
